Dear Prospective Sponsor,

We are pleased to announce a very special Green Tie Affair Event on March 24, 2012, featuring the following exciting highlights

- NEW Venue – **locally-owned Marathon Music Works in Nashville** is committed to recycling and other sustainability improvements. We are proud to support this unique venue.
- Presentation of the **2012 Sustainability Award to Dodd Galbreath** founding Executive Director of Lipscomb University's Institute for Sustainable Practice.
- Exciting **Silent and Live Auction**, a green carpet runway where you can show off your "green" attire, and much more.

Green Tie Affair is our most important fundraiser of the year, supporting all Council programs including Sustainable TN, TN Tree Project, our Watershed Support Center and more. We have included a copy of our 2011 Accomplishments so you can see how your support has translated into powerful and important work to improve Tennessee's environment, communities and public health.

We appreciate your past support and hope we can count on your support again this year. Sponsorship is a great way to reach a premier group of nearly 250 environmental leaders in Tennessee. Our marketing materials will reach thousands of supporters, members, and environmentally concerned citizens across Tennessee. As a Sponsor you may be entitled to the following:

- Listing in event brochure and on Council Website
