

For our **August 2018 Council Action of the Month**, we are asking you to attend our Sustainable Tennessee Annual Policy & Practice Meeting. Attendees will identify best policies and practices to advance sustainability in seven categories: Energy, Air, Land, Water, Solid Waste, Public Health and Food Systems. Forum outcomes are aggregated and published in our yearly revised [Sustainable Tennessee Agenda](#) which is presented to our TN General Assembly every year.

Your energy, enthusiasm and expertise will assist the Council and other stakeholders in charting and implementing an ongoing visionary and achievable course, ensuring the conservation and improvement of our natural resources as the backbone for Tennessee's communities, environment and public health.

When: Wednesday, August 29th 10 am to 3 pm

Where: Shelby Bottoms Nature Center, [1900 Davidson Street Nashville, 37206](#)

Suggested Event Donation:

\$25 Includes a catered lunch. Vegetarian option available.

\$10 No lunch provided, please bring your own lunch.

\$10 Student registration, includes catered lunch.

Space is limited so please [register here to reserve your spot](#).

If you can't attend, please share this event with your network.
