

## **April (Earth Month) Action of the Month | *Invest in Nature***

For our Earth Month Action of the Month, we are asking you to choose one of the following ways to invest in nature. Each dollar you invest leads to material improvements to our environment and communities through our programs that bring solutions to the people of Tennessee!

**1. The Big Payback (Thursday, May 2):** The Big Payback is Middle Tennessee's 24-hour online fundraiser supporting hundreds of non-profit organizations. You can donate from wherever you are, in any amount, with a few clicks at your computer or smart-phone. It's so easy! So please make a plan to donate to the Council through The Big Payback on May 2nd. We'll send you a friendly reminder about The Big Payback on May 1st!

**2. Get your tickets for Green Tie at the Zoo (Friday, May 3 in Nashville):** Green Tie at the Zoo is a festive evening party benefitting the programs of Tennessee Environmental Council. Green Tie features great food & drinks, live bluegrass music, a silent auction and more. *Early bird pricing ends on Earth Day 4/22.*
